World Environment Day 5th June

World Environment Day is celebrated every year on June 5th, 2024 to raise awareness about environmental issues and encourage global action to protect our planet. It works as a platform to promote environmental conservation and sustainable development practices worldwide. Each year, World Environment Day has a specific theme to focus attention on a particular environmental concern, such as biodiversity loss, plastic pollution, climate change, or sustainable consumption.

Godavari institute of management and research Jalgaon hosts a national-level poster competition for World Environment Day to engage people of all ages and backgrounds in raising awareness about environmental issues.

Godavari institute of management and research was organizing this competition to attract participants from across the nation, showcasing a wide range of perspectives on environmental conservation. It's an opportunity to highlight the importance of environmental stewardship and encourage sustainable practices through visual communication.

Participants could create posters that focus on themes like biodiversity conservation, climate change mitigation, renewable energy adoption, waste reduction, or any other pressing environmental issue. Judging criteria could include creativity, message clarity, relevance to the theme, and overall impact.

Overall, a national-level poster competition for World Environment Day can be a powerful way to mobilize people and promote a collective effort towards a healthier planet.

Participants from different regions of all over India are taking part in the competition. This diversity not only brings together a wide range of perspectives but also showcases the collective commitment towards environmental awareness and action across the nation. With 25 participants from various regions, the competition becomes a platform for cultural diversity and creativity in addressing environmental issues. Each participant's unique background and

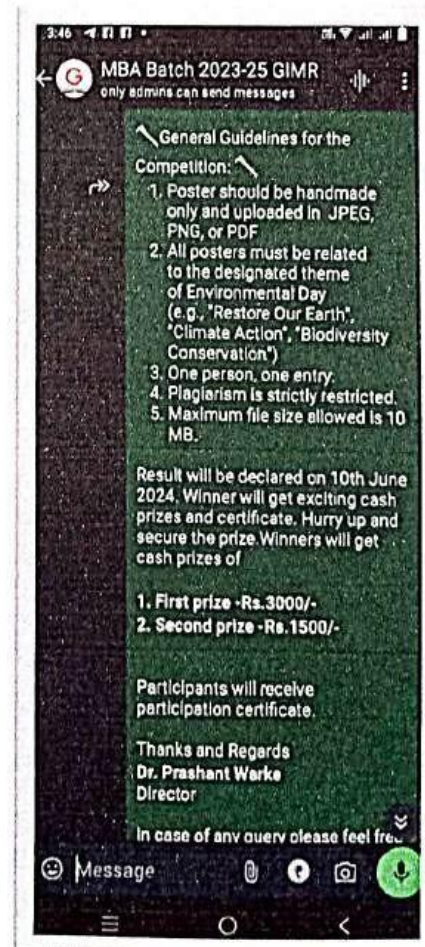

Godavari Institute Of Management And Research Jalgaon

experiences can influence their artwork, bringing forth different interpretations and solutions to environmental challenges. National-level competition not only fosters healthy competition but also promotes collaboration and learning among participants. It's an opportunity to exchange ideas, learn from each other's perspectives, and inspire each other to make a positive impact on the environment. Participants are asked to submit their posters using a link provided in a Google Form. This approach is quite common for collecting digital content like posters for events because in this period students having holidays so that it is the easiest way to collect the posters online.

In this competition , first prize of Rs.3000 was given to Sneha Narad from GIMR Jalgaon and second prize of Rs.1500 was given to Anirban Maiti From COE ,Kolaghat(Kolkata) through RTGS to their bank.

Ultimately, initiatives like this poster competition play a crucial role in raising awareness, fostering creativity, and mobilizing collective action towards environmental conservation. It's a commendable effort to celebrate World Environment Day and inspire meaningful change nationwide.

World Earth Day

22nd April

Earth Day is indeed celebrated annually on April 22nd. It serves as a reminder of the importance of environmental conservation and sustainability. Each year on April 22, billions of people across the globe join together to raise awareness about environmental protection. Earth Day originated in the United States in 1970 and has since grown into a global event celebrated by millions of people in various countries around the world.

Each year, it adopts a specific theme to spotlight urgent environmental concerns. In 2024, the theme "Planet vs. Plastics" underscores the imperative for collaborative efforts to restore ecosystems, address climate change, and safeguard biodiversity. "Planet vs. Plastics" that would emphasize the urgent need to address the issue of plastic pollution and its impact on the environment. It focuses on raising awareness about the detrimental effects of plastic waste on ecosystems, wildlife, and human health, as well as promoting solutions to reduce plastic consumption, increase recycling efforts, and advocate for policies that minimize plastic pollution. This theme aligns with the global movement to combat plastic pollution and promote a more sustainable relationship with our planet.

On this occasion Godavari Institute of Management and Research organizes various activities like Seeds Collection Drive (Seed Activity), Plantation Activity in college campus and E waste

Godavari Institute Of Management And Research Jalgaon

collection etc. BBA and BCA students gather for the tree plantation which done by students. All staff members are present for tree plantation.

Engaging youth and faculty members in activities focused on sustainable development is crucial for fostering a culture of environmental stewardship and responsibility. By involving the younger generation and educators in such initiatives, we can instill a sense of awareness, responsibility, and commitment to sustainable practices that can have a lasting impact on the future of our planet. These activities not only raise awareness about pressing environmental issues but also empower individuals to take action in their daily lives to reduce their ecological footprint and promote sustainability. Moreover, by involving youth and faculty members, we can tap into their creativity, innovation, and energy to develop new ideas, solutions, and initiatives for addressing environmental challenges. By nurturing their passion and enthusiasm for sustainability, we can inspire a new generation of environmental leaders who are committed to creating a more sustainable and resilient future for all.

JAL-JAGRUTI SAPTAH

16TH March-22nd March 2023

On 22nd March World water day is celebrated throughout the World. According to this Government of Maharashtra Announces 'Jal-Jagruti Saptah' from 16th March to 22nd March 2024 . Regarding this, Godavari Institute of Management and Research was organizes comprehensive and engaging set of activities for the "Jal-Jagruti Saptah" event which carried out during 16th March to 22nd March 2024 . During the weeklong event college organized Essay competition , Poetry competition and and poster presentation on this occasion.

Essay competition provides an opportunity for students to delve deeply into the topic of water conservation and management. Participants can explore various aspects of the issue, such as the importance of water, challenges faced in its conservation, innovative solutions, and the role of individuals and communities in water stewardship. This competition encourages critical thinking, research skills, and effective communication, empowering students to become advocates for sustainable water practices.

A poetry competition adds a creative dimension to the event, allowing participants to express their thoughts, emotions, and reflections on water through the art of poetry. Poetry has a unique ability to evoke empathy and inspire action, making it a powerful medium for raising awareness about environmental issues. Participants can explore themes such as the beauty of water, its significance in our lives, the impact of water scarcity, and the need for conservation efforts. This competition fosters artistic expression, imagination, and empathy among students, while also highlighting the importance of incorporating the arts in environmental education.

Poster presentation provides students with a platform to visually communicate key messages related to water conservation and management. Participants can create informative and visually appealing posters that highlight important facts, statistics, and messages about water conservation, sustainable practices, and the importance of protecting water resources. Poster presentations encourage creativity, research skills, and effective visual communication, while also serving as educational tools for raising awareness among the broader community. Incorporating these activities into the Jal-Jagruti Saptah event, the college fosters a holistic approach to water conservation education, catering to diverse interests and learning styles. These competitions empower students to engage deeply with the issue of water conservation, fostering a sense of responsibility and inspiring action towards a more sustainable future. Organizing

DIRECTOR
Godavari Institute of Management
& Research, Jalgaon

events like the Jal-Jagruti Saptah demonstrates a proactive approach towards addressing water-related issues and fostering a sense of responsibility among individuals and communities.

Also Dr. Prashant Warke sir take lecture on this week-long event about water conservation ,importance of water etc. Ms. Bhumika Nale's welcoming of Director Dr. Prashant Warke sets a positive tone for the Jal-Jagruti Saptah event. Welcoming dignitaries like Dr. Prashant Warke not only honors their presence but also acknowledges their expertise and leadership in the field of water management and research. As a director, Dr. Warke's involvement likely signals the institution's institutional support and leadership in promoting initiatives like the Jal-Jagruti Saptah.

Ms. Mansvi Pardeshi's speech on water reservation is a crucial aspect of the Jal-Jagruti Saptah event, as it sheds light on the importance of preserving water resources for future generations. Her speech likely addresses various facets of water reservation, including the need for effective policies, sustainable practices, and community involvement.

In her speech, Ms. Pardeshi may highlight the following points-

- Importance of Water Reservation
- Sustainable Water Management
- Role of Community Participation
- Challenges and Solutions

Mansvi Pardeshi's speech serves as a call to action, inspiring individuals and communities to actively participate in water reservation efforts and contribute to a more sustainable and water-secure future.

In the voice of Mr. Ganesh Wani, this poem would likely resonate deeply, drawing attention to the beauty, importance, and fragility of water, while also urging listeners to take action to preserve and protect this precious resource for generations to come

Dr. Prashant Warke's words encapsulate the gravity of the situation while inspiring hope and action among the attendees. His emphasis on collective responsibility and the importance of proactive measures underscores the urgency of addressing water-related challenge.

Ms. Bhumika concluded the program with a special word of thanks to our students whose dedication, creativity, and passion have brought life to this event. Your commitment to the cause of water conservation is truly commendable, and I am confident that your efforts will inspire many others to join the movement towards a sustainable future.

Ms. Bhumika Nale's vote of thanks acknowledges the contributions of all stakeholders involved in the event while inspiring continued commitment to the cause of water conservation.

Essay on Water Conservation

"When the well is dry,
we know the worth of water!"

- Benjamin Franklin.

Water, the elixir of life, is an invaluable resource that sustains all living beings on Earth. Yet, despite covering 71% of Earth's surface, only 2.5% of freshwater is available for human consumption. As population increases and climate change intensifies, securing this precious resource is becoming ever more critical. The world is facing an escalating water crisis due to over-exploitation, population and climate change.

The harsh truth of water scarcity is that more than two billion individuals worldwide do not have access to clean drinking water. If current trends continue, by the year 2025, two-third of the global population could experience water scarcity. The effects of climate change are significantly impacting precipitation patterns, resulting in more frequent occurrences of droughts & floods. Furthermore, population continues to render vast quantities of water unfit for consumption.

The consumption for water sources

A

Report on National Pollution Control Day & World Computer Literacy Day

2nd December 2023

National Pollution Prevention Day is observed annually on December 2nd. In memory of the people who lost their lives in the 1984 Bhopal gas tragedy. The horrific industrial accident took place due to the leak of methyl isocyanate gas in the union carbide India limited (UCIL) pesticide plant on the night of December 2-3 thousands of people were killed due to the toxic gas spread. Bhopal gas tragedy is said to be one of the world's worst industrial disasters to date. The aftereffects of the tragedy were also very severe as increased cases of cancer and birth defects were reported. The Bhopal gas tragedy showed that the pollution and presence of toxic gases in the environment can be hazardous. The day also aims to spread awareness about the prevention of natural resources like air, soil, noise, and water pollution.

World computer Literacy day was first celebrate in 2001 to literate the people in computer. Most of people were unknown about the use of computer for this purpose every year on 2nd December world computer literacy day is celebrated.

Godavari institute of management and research organizes the day by compititon of making paper bags. The program was started with welcome speech by Mrs. Charushila Chaudhari. Hon. Director Prashant Warke , all staff members and students welcome made by charushila chaudhari. Also she told about the overall history about the day.

Dr.Prashant Warke explain the importance of the day that how human being polluted the environment, use of paper bags, disadvantages of using polthyne bags. In the last session Mrs.Tanvir Sayyed express vote of thanks. For this program, 30 students are present.

Report on Tree plantation

Held on: 13 July 2023

Venue: GIMR campus

Deforestation became a major problem for increasing global warming rate. Trees play an extremely important part in regulating the temperature and making the weather conditions conducive to rainfall. Tree plantation is the best activity we can do on our special occasions. Humans always feel connected with nature when he is surrounded by greenery.

On 13 July 2023, Godavari Institute of management and Research jalgaon and Rotary Club Jalgaon Elite organized an event on "Tree Plantation". Honorable Director Dr. Prashant Warke and all staff members were present for the event.

The event was beginning with the welcoming of guest Honorable Mr. Ajit Mahajan member of rotary club elite of rotary club. Dr. Prashant Warke explained about the importance of plantation and has motivated staff to plant trees and conserve them every day. The event aimed to plant 10 – 15 trees around the campus in MIDC area Jalgaon.

Gathering after such motivational speeches must have infused everyone with a sense of purpose and responsibility. Moving towards the tree plantation site reflects a collective commitment to action, where words translate into tangible efforts for the environment. As you walk toward the planting area, envisioning the transformation those saplings will bring to the landscape and ecosystem can be truly empowering. Each step carries the weight of hope and determination, symbolizing the beginning of a greener, more sustainable future. Trees were planted by all Staff including Teaching and Administrative staff.

All were happy and experience proud after the tree plantation event was finished, because There's a unique satisfaction that comes from knowing you're contributing positively to the environment. Planting trees

DIRECTOR

not only benefits nature but also has ripple effects on communities and future generations. It's a tangible way to make a difference and leave a lasting impact on the world around us. Plus, being out in nature, getting your hands dirty, and actively participating in conservation efforts can be incredibly fulfilling and rejuvenating. Keep up the fantastic work, and may your actions inspire others to join in caring for our planet.

Energy Conservation Day

14th December

The National Energy Conservation Day is celebrated on December 14 every year, in order to spread the message on the importance of conserving energy and to showcase the achievements of the nation in energy efficiency and conservation. The National Energy Conservation Day being organized by the Bureau of Energy Efficiency (BEE), under Ministry of Power, Government of India, which is mandated as per the Energy Conservation Act 2001, to regulate and promote energy efficiency and its conservation in India.

National Energy Conservation Day 2023 Slogans are Save Energy, Save Money, Save Nation, Save the planet. Reduce, Reuse and Recycle the energy. More the energy is conserved more are the chances of saving the planet. Rock your world by saving energy.

On this day Godavari institute of management organizes guest lecture of Dr. Parag Patil Sir who is I/C Principal and HOD of Civil Dept govt. Polytechnic College Jalgaon on topic "Energy Conservation Opportunities" on zoom app.

Mrs. Charushila Chaudhari welcomes Dr. Parag Patil Sir in Zoom meet. He gave the useful information to students about the energy conservation and the opportunities of it. He told about the various types of energy conservation, how people apply the energy conservation. Also he told about the various schemes about the energy conservation. In all over program 90 students were present for the lecture.

At the end of the program, Mrs. Charushila Chaudhari express vote of thanks towards Dr. Parag Patil sir and endever the program.
