No. Of People Benefitted From The Project: 16 people were benefitted from the project.

Description of Project in Detail –

How much do you know your Nation?

Rotaract Club of Godavari came up with the new initiative called **How much do you know your Nation?** on this **Republic day 2020**

Firstly Rotaractors celebrated Republic day with **Flag Hoisting** and remembering our **National Heroes with great pride...**

Then we started our Initiative by asking Quizzes to everyone present for Flag Hoisting...
And Luckily The Competition were started with our beloved DRR... 😊

How much do you know your Nation?

• It was Competition having simple quizzes on our Nation i.e INDIA.

Quizzes were ;

E.g

1. When was 1st Republic day Celebrated?
2. How many forces take part on procession on Republic day?
3. When did Constitution of India came into Force?
4. How much years did India took for making of its Constitution?
5. Who Designed The National Flag? Etc...

As it was a Competition we have our prizes for it as a **Flag**
The Flag was not Normally made, but flag but having a speciality of growing it into sprout ...
And The flags were made from recycled hand made paper and not a single tree was cut to
make it. when flag was laterly moisten and dip them in soil while giving exposure to sunlight
it will SPROUT into plant...

Project head- Rtr. SachinSatpute

Total Rotaractors- 9

Participants- 16

And thus RAC Godavari Celebrated their Republic Day...

Description of Project in Detail –

#Corona Haregadesh.Jitega

As the number of Coronavirus cases continues to rise across the world, it is very important to understand the different words associated with it as it could mean the difference between life and death in future. Most people are using the terms isolation, quarantine, social distancing interchangeably when it comes to the Coronavirus pandemic. But these words mean different things.

To ensure that health and safety measures are taken properly to check the spread of Covid-19, we need to understand how these terms refer to different levels of separation.

So **RAC Godavari** came up with the explanation of those terms in very simple and easy to understand manner... moreover some safety measures are also given by the club ..

Guys it's a humble request to understand these terms in proper way... 🙏

Avoid leaving your home, your lives are really important for us and your near and dear ones, and still if it's unavoidable remember you need to

Protocol if you are leaving your home

Wear Long Sleeves

Do not touch your face until you have clean hands.

If Having a mask, put it just before leaving

If you cough or sneeze and not having tissue, do it on elbow and not on your hands or air

If having a pet try to avoid him/her brushing against surface

Crunch up your used tissue, place in a place, close the bag and then dispose

Try not to use cash, if you do, disinfect your hand

Wash your hands after touching any object or use hand sanitise

Practice social distancing

#CORONA HAREGA DESH JEETEGA

Rotary

Rotaract
Godavari

Protocol when Entering your home

When you come home try not to touch anything.

Remove your shoes and try to disinfect them.

Disinfect your pet's paws time to time.

Once entered house, remove your clothes and wash them as soon as possible. (with hot water)

Have a shower, if you cant wash all exposed areas(exposed area arms, neck, nail, wrist etc.)

Disinfect your exposed thing, such as mobile, eye glasses.

Carefully remove and disposed your gloves

Remember it would possibly reduced the risk

#CORONA HAREGA DESH JEETEGA

Rotary

Rotaract
Godavari

Protocol living with someone at risk

Maintain a healthy distance with the affected person.

Use different bathrooms and disinfect it after each using.

Do not share towels, cutlery, glasses

Daily clean and disinfect high transit and contact areas and surfaces

Have a shower, if you cant wash all exposed ares(exposed area arms, neck, nail, wrist etc.)

Call health services if you recognized 38 degree or more fever and difficulty to breath

Do not break 14 day quarantine if advised. Remember every day you breach, you reset the counter.

Be safe and keep your near and dear once safe.

#CORONA HAREGA DESH JEETEGA

Rotary

Rotaract
Godavari

What Is Isolation ?

Isolation is used to separate ill persons who have a communicable disease from those who are healthy.

Isolation restricts the movement of ill persons to help stop the spread of certain diseases.

For example, hospitals use isolation for patients with infectious tuberculosis and now for COVID 19

In the situation person have already contracted the virus and are showing symptoms.

The person is isolated to not infect any other individuals.

Description of Project in Detail

Healthy India Stronger India

We strongly believe in *Healthy India Stronger India*. And so as responsible citizens, on the eve of Independence Day RAC Godavari & RAC Jalgaon Stars join hands together for mask distribution especially for the most deprived people in Jalgaon City.

Execution of the Project:

Firstly Rotaractors accompanied a survey for 2 long days of the city identifying the deprived people, the people who could not even afford a mask.

After an analysis, we visited the places and make them aware of the use of masks, providing 2 masks to each person.

Recognizing the COVID-19 situation we executed the project by having 2 members from each club.

On the occasion of 73rd Republic Day Rotaract club of Godavari organized an online painting competition “Battle of Paints” to showcase the love students have towards their country.

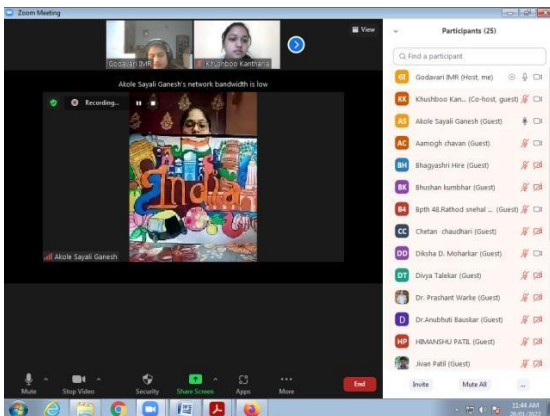

Competition started by welcoming all the participants followed by speech of Rtn.Dr.Prashant Warke sir. After then we felicitated our respected Judge Dr.Anubhuti Bauskar Assistant Professor Godavari Institute of Management & Research, Jalgaon.

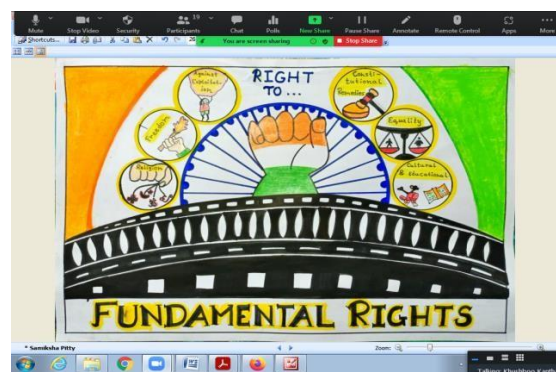

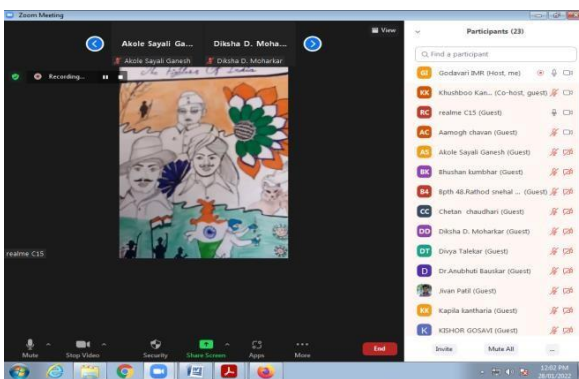

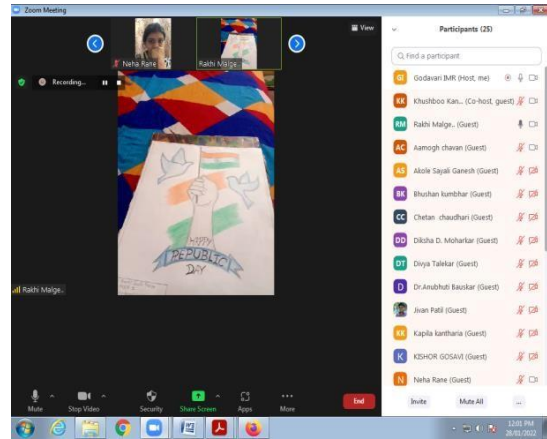

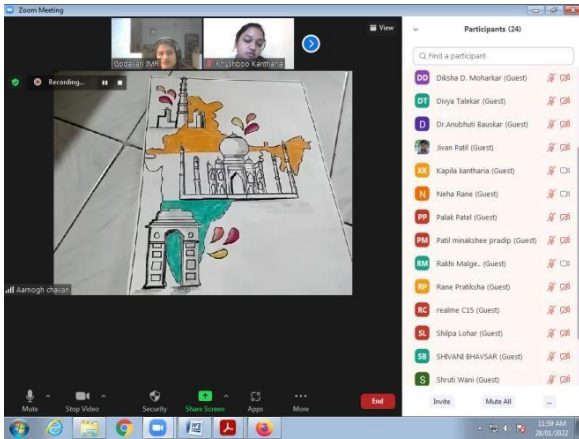

In a Competition, participants are required to make paintings on theme based on Republic day and give a 5 minute presentation about what they have drawn. Everyone has come up with amazing artworks like, farmers of country, Map of India and various cultures shown in it, diversity in India, Deforestation and its impact, industrialization and many more. 12 participants have participated in the completion.

It was really hard to judge the competition as everyone has put their unbelievable imagination into art. **Winner for the Competition is Rtr.Sayali Akole, First runner up is Rtr Palak Patel and second runner up is Amogh Chavan and Jivan Patil.**

Everyone participated interestingly enjoyed a competition a lot.

Secretary of RCG Rtr.Khushaboo Kantharia co-ordinated the event. Vote of thanks presented by President of RCG Rtr.Neha Rane.

On
World Health Day

8th April 2022

World Health Day is celebrated every year on 7th April to mark the anniversary of the founding WHO in 1948. It provides a global opportunity to focus attention on important public health issues that affect the international community.

Rotaract Club of Godavari in association with Godavari institute of Management and Research, Jalgaon organized a Free Health Check up campaign in institute. Check up camp was graced by Dr.Jeevak Kakde, Dr.Aman Agrawal, Dr.Kshitij Isasare and PRO Makarand Mahajan from Dr.Ulhas Patil Medical College. Camp was started by felicitating all dignitaries followed by speech of Dr.warke sir. Rotaractors of RCG, students of MBA and BBA, BCA 1st year along with faculties of GIMR, nursing, physiotherapy visited the check up camp.

Prashant

DIRECTOR
Godavari Institute of Management
& Research, Jalgaon

Every year Godavari Institute of Management and Research with Rotaract Club of Godavari organizes social activity under “SPARK” an annual function of Institute. Purpose behind organizing such a social cause it to make students realize their social connectedness through helping the poor and needy people, reaching to an unprevilage areas and taking some initiatives to make their lives better.

This year we have conducted a COVID 19 awareness activity on 25th Feb 2022 in MIDC area. We targeted daily wagers and workers of MIDC area as most of them are uneducated and are not aware about the Vaccination of Covid 19. They have misconceptions related to effect of Vaccine. Our students of MBA, BBA and BCA along with faculty had a conversation with them and distributed pamphlets to make them aware about vaccination.

Dr.Prashant Warke Director Godavari Institute of Management & Research deliver a talk. Activity sum up by providing refreshment.

On
Distribution of Water pots for birds

6th May 2022

Rotaract club of Godavari RID 3030 with Godavari institute of Management & Research, Jalgaon has organized bird water pot distribution event on 6th May 2022 at institute's campus. The event was graced by Rtn. Sanjay Shah (Past president of Rotary club of Jalgaon East & Proprietor ,Premaji Bhavanaji shop of Grains, Jalgaon & Social activist), Mr.Vijay Patil (Principal, Godavari college of Engineering, Jalgaon).

Event started by felicitating guest by the hands of RTN Dr.Prashant Warke sir followed by talk of Mr. Sanjay shah. Mr.Shah motivated students to install water pots in their home, balconies and save the birds from dying due to shortage of water during hot summer days. Each Rotaractors, students and faculties has been given one water pot for home. Then few pots were installed in the institute campus. The pots were provided by Mr. sanjay shah sir himself. Every year he conducts this social activity in schools, colleges and many other places. Students were very enthusiastic for this noble cause.

Report on

Old Clothes Donation Drive

24th May 2022

When you do things for others, something good happens for you too. Doing a good deed like donating your old clothes will make you feel good because you're doing something for a worthy cause. You're getting rid of the clutter in your home and helping others at the same time. When you donate your clothes, you are saving the environment from a lot of harm.

There are many people in need of usable clothing. There are disaster victims, underprivileged people, and children in need of clothing, and your donations can help. When you throw away your clothes, they have no chance of reaching people who need them the most.

For these needy people, Rotaract club of Godavari organized **Old clothes donation drive** on **24th May 2022**. After cleaning and sorting of collected clothes, the distribution was carried successfully. Under this activity Rotaractors distributed clothes to people nearby **Kalinka Mata temple stop**. **Team of 15** rotaractors worked on this social cause.

Report on Books Distribution at school

Date: 29th November 2022

Venue: Lt.Abhiman Mahadu Warke School, Vidgaon Dist: Jalgaon

Objective of the Event: Generate a Reading Habit in Schoolchildren.

Organised By: Rotaract Club of Godavari, Jalgaon

"Books are a man's best friend," as the once said. However, books are inaccessible to a large number of people due to their limited purchasing power, which is sometimes insufficient to cover basic necessities such as food and shelter. Our club believes that today's children are tomorrow's leaders and thus aims to reach those children who are denied their fundamental right to an education due to financial constraints. As a result, we organise *Shaam chi Aai* books distribution campaigns to provide underprivileged children with free books and stationery.

Snapshots of the Event:

Outcome of the Event: This campaign were extremely beneficial in achieving the long-term development goal of providing education to all & through reading this book i.e. *Sham chi Aai* will inculcate good future of upcoming generation.

Future Project: Organised Essay competition on Book of Shaamchi Aai Book at School.

Report on Essay Writing Competition at school

Date: Competition held on 16th January 2023

Prize Distribution Ceremonu held at 2nd Feb 2023

Venue: Lt.Abhiman Mahadu Warke School, Vidgaon Dist: Jalgaon

Objective of the Event: Inculcate Good Skill through the books children had read “Shyamchi Aai”.

Organised By: Rotaract Club of Godavari, Jalgaon

Outcome of Event: This competition enforces the reading and writing good books quality amongst school children. It's a necessity of time to inculcate good skill for our upcoming generation. We get a huge response for this competition from students. It was too tricky to select some students for prizes as students had written very nice concept they understood about book. It was really great experience we had throughout this event.

Prizes As follows:

- **1st Prize Harshada Vijay Sapkale**
- **2nd Prize Om Pralhad Sapkale**
- **3rd Prize Priyanka Satish Sonawane**
- **Complementary Prize Tejaswini Ishwar Sapkale**

Report On Social Activity on “Awareness of Cyber Security”

Date – 15 February 2023

The aim of the study is to analyze the awareness of cyber security of **GIMR** students at Neri Naka area, Jalgaon. **GIMR** students by focusing various security threats in the internet. In recent years cybercrime is an enormous challenge in all areas including national security, public safety and personal privacy. To prevent from a victim of cybercrime everyone must know about their own security and safety measures to protect by themselves. A well Road Rally will be applied to analyse the college student's awareness in the area of cyber security. This activity will be going to conducted in popular area by focusing various security threats like email, virus, phishing, fake advertisement, popup windows and other attacks in the internet. This activity examines the college students' awareness and the level of awareness about the security issues and some suggestions are set forth to overcome these issues.

The Social Activity on “**Awarness of Cyber Security**” was organized on 15th Feb 2023. The Guest of the activity was **Mr. Liladhar Kanade and Mr. A.T. Mahajan**.

Mr. Liladhar Kanade sir told to students what is cyber security awareness? He said Cyber security awareness is an ongoing process of educating and training employees about the threats that lurk in cyberspace, how to prevent such threats and what they must do in the event of a security incident. I sure the precious knowledge that sir us will definitely help our students studies and future also.

There are several benefits to being socially active, including:

- Improved social skills
- Improved academic performance
- Positive attitude
- Enhanced self-esteem
- Connection to peers, groups, and your community
- Reduced risk for mental disorders, such as depression
- Better brain health

Activity Learning Outcomes -

- Detect attack methodology and combat hackers from intrusion or other suspicious attempts at connection to gain unauthorized access to a computer and its resources
- Protect data and respond to threats that occur over the Internet
- Design and implement risk analysis, security policies, and damage assessment
- Plan, implement and audit operating systems' security in a networked, multi-platform and cross platform environment

Social Activity Report

Awareness campaign for voters

26TH FEBRUARY 2024 AT 3.00 O'CLOCK

Coordinator

Prof. Smita Chaudhari

Prof. PriyaPhalak

Prof. ChandrakantDongre

Every year Godavari Institute of Management & Research, Jalgaon arranges a Social activity in Management week on different / current social issues in the society. Under the social responsibility and accountability, **Godavari Institute of Management and Research, Jalgaon, and Dr. Varsha Patil Women's College of Computer Applications, Jalgaon jointly organized an awareness campaign for voters in Jalgaon city on 26th February 2024 at 3.00 o'clock in the afternoon.** The primary objective of this campaign by both institutes was to make students socially aware.

One main purpose of this event is to increase social awareness and consciousness among students in your electoral awareness campaign. Being socially aware and conscious can have a significant impact on the various aspects of your election. Being socially aware means being informed about social issues in your community, such as corruption, exploitation, and other social and political problems. Increasing consciousness means raising awareness and encouraging everyone in society, especially the youth, to become proactive and aware of their individuality. When young people become aware of social issues and are conscious of their personalities, they actively contribute to social service and participate in societal improvements.

For this purpose, the selected community targeted the Bank Road, Golani Market, and Phule Market areas in the Navi Peth locality of Jalgaon city. The voter awareness campaign for the upcoming Lok Sabha elections was initiated by the college, and for this, the Mayor of Jalgaon

Municipal Corporation, Mrs. Ujwala Tai Bendale (BJP Jalgaon city), and Deputy Manager of Godavari Co-operative Bank, Mr. HitendraShinde, were invited as guests of honor for the inauguration of this initiative. During this event, Dr. PrashantWarke ,Director of Godavari Institute of Management and Research, Jalgaon suggested that voter awareness under the guidance of Dr. Mrs. Ketki Patil Member of Godavari Foundation has become prominent. She emphasized the importance of voter awareness in today's time. Mrs. Ujwala Tai Bendale mentioned in her speech that a large number of new voters have registered during this period. She urged new voters to exercise their voting rights actively. She also praised Prime Minister ShriNarendraModi's thoughts and actions, which have inspired and awakened many. Therefore, everyone should educate and prepare their household members to vote. She praised this initiative as highly commendable. In this initiative, approximately 15,000 pamphlets were distributed in the Golani Market and Phule Market areas, urging citizens and shopkeepers about the importance of voting. Students played a significant role in this by following the instructions diligently. Among the various issues discussed, corruption was highlighted as a major concern, emphasizing that every voter should participate actively in achieving a prosperous and happy nation. It was reminded that every person above 18 years has the right to vote, and no obstacle should deter them from voting. Voting is a right given by the law, and it should be exercised responsibly. This event's success was attributed to the efforts of the college's Principal Dr. NeelimaWarke, Prof. Smita Chaudhari, Prof. VaijayantiAsodekar, Prof. ChandrakantDongre, Prof. Aafrin Khan, Prof. TanveerSayed, Prof. Charushila Chaudhari, Prof. MitaliShinde, Prof. PriyaPhalak, Prof. Ashwini Patil, Prof. Tejal Patil, Prof. Leena Patil, Prof. DhanshreeBhagale, Mrs. Jayashree Chaudhari, Mr. Mayur Patil, Mr.Gaurav Patil, LalitKirange, and PrafullBhole.

**Distribution of Sanitary Pad by Godavari Institute
Associated with Rotaract Club of Ambernath**

We, the Rotaract Club of Ambernath are back
with Charity of Goodness 4.0

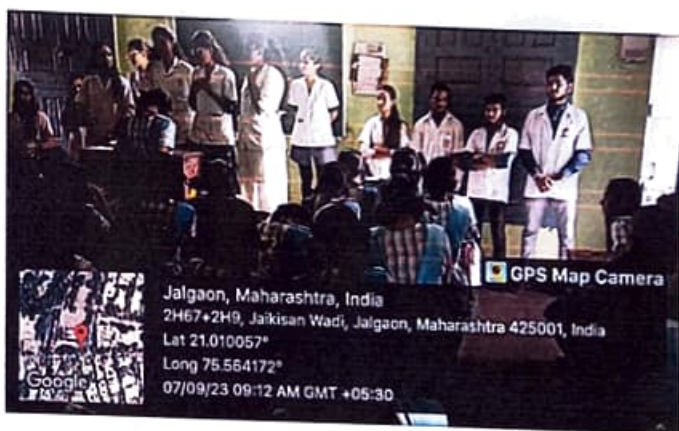

Rotaract Club of Ambernath holds a prestige of being the 1st Club to be chartered in Maharashtra and 5th in India.

On account of International day of Charity, Rotaract Club had conducted Charity of Goodness 4.0 jointly with Modern Girls High School, Jalgaon. We donated Sanitary Pads to the girls of 8th, 9th and 10th std.

We arranged a meeting with them and had a wonderful opportunity of sharing intellect about menstruation and periods. We had wonderful opportunity of enlightening them about issues related to the topic and having a interactive session with them.

Menstruation

- Menstruation means cyclic uterine bleeding caused by shedding of progestational endometrium it occurs between menarche and menopause.
- Some hygiene products like sanitary pads, tampons, menstrual cup, etc can be used and also proper disposal should be taken care of

About Menstrual cycle and Periods

☉ Facts shared by Members

- Period is a natural phenomenon for female and one must not be hesitate asking about it.
- They play a very phenomenal part in not a women's life but also is the cycle of life.
- Proper knowledge of period is extremely necessary over the superstitions spreading through society.
- A proper hygiene is the key to safe and less painful menstrual cycle.
- Hygiene products like pads, tampons,menstrual cups, etc should be correctly used according to your comfort and be disposed properly.
- Never do heavy exercises during periods.
- ☉ Staying hydrated can help keep you fresh throughout the period.

Disposal of a hygiene product

A used hygiene product like pads or tampons if not disposed properly and thrown in a dumpster, can cause many kinds of infections to the animals hovering around it.

They may be biodegradable but the bacterial infection they contain because of blood is very harmful.

One must carefully wrap it in a piece of paper and keep it separated from dry waste.

These are wet waste and must be thrown in the blue garbage bin

Communicating about difficulties and doubts

- It may at a time get very hard for a young girl to ask her parents about the changes she has been going through or the barriers she is feeling through them.
- Hesitating does not answer your question. Being confident and questioning plays a major role in understanding the process.
- Communicating with your parents or your gynaecologist about the cramps, bleeding, physical changes, hormonal changes, etc. should be blunt as it is normal to have anxiety and stress over how to speak about it in your teens but it really helps when you are confident.

Exercises and diet

- Yoga like kapalbhati, bhadrasana, suryanamaskar, etc and exercises like jumping jacks, jogging, cycling, etc. are very helpful in regulating your menstrual cycle.
- It helps improving blood circulation and reduces stress, anxiety, pain, cramps, inflammation, etc.
- A proper diet handles hormonal imbalance and increases your endurance level.

Report on “Meri Mati Mera Desh”

Date : 13/07/2023

Venue : Jalgaon City

Objective of the Event :

- There are various reasons behind tree plantation but the most important are forestry, land reclamation, and landscaping. Each process of tree plantation is important and unique in its own way.

Organized By: Rotaract Club Of Godavri Elite. Rotaractors from Godavari Institute of Management & Research , jalgaon

Rotaract Club of Godavari Elite organized “ **Tree Plantation**” on 13th july 2023.

Tree plantation is the process of transferring of seedlings from one place to another for different purposes. Under the event “**Meri Mati Mera Desh**” By Rotaract Club Godavari Institute of Management & Research Jalgaon.

Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife.

In this Events Present also others Rotaract Members and our College teccaching staff. To support and help the tree plantation event.

Photo:

Outcome of the Event :

The Rotaract Club of Godavari to Organized by Meri Mati Mera Desh. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe.

Trees give off oxygen that we need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.
